- Listing on our website

**UNIT SIZE: 5.84" x 5.84" x 3"**  
**CASE SIZE: 12" x 12" x 6" CASE QUANTITY: 8 x 900g units**

**what people are saying:**

“M-m-good and lovely texture. I use it frequently in grilled sandwiches, with macaroni and toasted on English muffins. Prairie Melt has become a bit of an addiction for me; a must have staple in my refrigerator.” **DONNA LEE RANDON**

“Definitely in my top 10 favourite plant based products”  
 @lentils\_for\_lunch

“If you didn’t tell me, Prairie Melt could pass as a very mild, soft melted cheese.” **LIFESTYLE BLOGGER ANDREA CHAN OF LITTLEMISSANDREA.CA**

“Not only is Prairie Melt dairy-free, It’s also soy-free and nut free too. When you go dairy-free for a cows milk allergy you typically have to go soy-free too because they are related. It’s really hard to find dairy-free substitutes that aren’t nut or soy based so this is really exciting.” **LIFESTYLE BLOGGER MACKENZIE OF RIVERCITYSISTERS.COM**

“Definitely a good option for cheese lovers who have gone vegan.” **FOOD BLOGGER JENN OF LETSEATYEG.COM**

# More than just tasty...

**MEETS CHANGING DIETARY PREFERENCES** tap into the growing plant-based, dairy-free and health conscious market

**ALLERGY FRIENDLY** meets many allergy requirements including dairy, soy, nuts and gluten

**COST EFFECTIVE** cost per 100g out-competes same category products.

**GREAT CUSTOMER RESOURCES** customers can find many recipes and resources though Prairie Melt's frequently updated social media and website channels

**RECOGNITION IN FOOD SERVICE** Prairie Melt is on restaurant menus and continues to grow as a premium chef-approved brand

**STANDS OUT ON THE SHELF** premium square packaging with bold images and graphics appeal to the customer and set Prairie Melt apart.

**RECOGNIZABLE IN ANY DISPLAY COOLER** Prairie Melt packaging is clearly and colourfully labeled from the side and top of the container for easy recognition when viewed side-on or top-down

**TAMPER PROOF** tamper proof seal ensures customer safety

**PRODUCED TO A HIGH STANDARD** Prairie Melt is produced in a HACCP approved, federally inspected facility
